Audrey is an award-winning director, specialising in theatre, narrative and video games and is committed to creating games that are vivid, rigorous, imaginatively ambitious and emotionally truthful.

She's been extensively involved in new writing, inspired by dramaturgical development, how a script evolves, and what makes a great project work and why.

She was Best Director Finalist for the Off-West End Awards 2017/2018 (The Dark Room, Theatre503), nominated for the Arts Foundation Award 2018, and selected as an Old Vic 12 Director 2019. She was also a recipient of an MGCfutures bursary 2020.

Audrey's game credits include Wuthering Waves (Kuro), Meet Your Maker (Behaviour Interactive), Gwent: The Witcher Card Game (CD Projekt RED) and New World (Amazon Game Studios).
